BCAT HOF ELIGIBILITY REQUIREMENTS: Those coaches who have coached varsity/college head basketball for 20 years or more and/or have 300 or more career victories are eligible. Applicant must have been a BCAT member for a minimum of 3 years during his/her head varsity coaching tenure. Candidate will be considered for overall coaching accomplishments to be considered for the BCAT Hall of Fame, therefore it is very important to fill out this form as completely as possible. Coaches may be nominated by schools and member coaches. We will also consider coaches posthumously that could not have been members before the founding of BCAT in 2007.

****If the applicant is not named to the Hall of Fame right away, they may be named at a later date. The nomination form is based on winning percentage, championships, basketball service, and awards (categories that are mentioned on the application form). If the applicant has enough qualifications, they will be considered for the Hall of Fame. The more items listed on the form, the more consideration the applicant will receive and the better the chances of being named to the BCAT Hall of Fame****
