# Shootout Philosophy

The Rib City Shootouts were started in 2010. The shootouts were developed to fulfill a need for summer shootouts in Southeast Missouri. We have grown from 65 teams our first year to 816 teams this past summer. This year we will offer shootouts in Cape Girardeau, Dexter, & Poplar Bluff. Our 3 locations provide the opportunity for teams to play others in regions and states they would normally not compete against. We are anticipating having around 1000 teams this summer. Our locations in Southeast Missouri allows us to offer quality competition and valuable experience to teams in the seven-state area.... easy reach of Arkansas, Illinois, Indiana, Kentucky, Mississippi, & Tennessee.

**Cost:** The cost for **Basketball** is \$300 per team. It's a 2 day camp. All teams are guaranteed (6) six games and can play up to (8) eight games possible (5 pool play games then a single elimination tournament).

The cost for **Volleyball** is \$320 per team. It's a 2 day camp. All teams are guaranteed (8) eight games and can play up to (10) ten games possible (7 pool play games then a single elimination tournament).

With the completion of the Bearcat Event Center or BEC, the Dexter School Campus now has eight (all air-conditioned) basketball and volleyball courts in a quarter mile radius providing a convenient site to host these events. Dexter, MO is home to 3 of the best barbeque restaurants in the state (Hickory Log, Dexter Barbeque, and Dexter Queen). You will definitely want to try these places.

We will be hosting these shootouts on the campus of Three Rivers College. TRC has a brand new 3 court facility called the Libla Family Sports Complex. We will also use Bess Activity Center and 4 courts at Poplar Bluff High School so this allows us to have 8 (all air-conditioned facilities) all in close proximity to each other. Poplar Bluff has a lot of great hotels and places to eat. We are excited about bringing our shootouts to the Poplar Bluff area.

### Discounted Pricing

Save on custom apparel, footwear, and more.
