

THE BASKETBALL COACHES ASSOCIATION OF TENNESSEE

DECEMBER 2024

Greetings from BCAT

As the 2024-25 season is heading toward the tournament we hope this has been a rewarding season for you and your team. Coaching is never easy but we signed up for this job because we are tough and focused.

Scholarship applications are due by March 1, 2025 for all senior children, players, and support staff of member coaches. This is one of our proudest functions we have with the BCAT. We have awarded well over \$20,000 in scholarship money. There is a link in the newsletter to use for any applicants.

Lastly, we will plan on having our booth at the state tournament in Murfreesboro in March. Please come by and see us, we will be giving away some gifts to our member coaches.

Thanks and good luck through the rest of the season!!

A LETTER FROM BCAT DIRECTOR, BRUCE SLATTEN

Coaches...

We are entering the best time of the year for basketball coaches. It is always exciting to get started with the season and working with your players. Each season takes on a new life in your career and your team's growth. Enjoy the ride!!

I wanted to give you a run down on the state of the BCAT. In our 18th year we are in an excellent place as an organization. Last year we enjoyed continued membership growth and for the first time we reached over 950 members. This year we are on pace to reach over 1,000 members for the first time. This would not be possible without you and your program. Strong membership numbers only strengthen the organization as a whole and give all of us an opportunity to share ideas and make the game stronger.

With that being said, we need your help. We have established boys and girls committees made up of coaches from across the state. The committees are designed to help push along ideas, promote, and help with our organizational growth among other things. The list of committee members is on our website.

On the local side of things, the BCAT needs you! We need district and area coordinators that would be willing to help drive membership in your area. It is important that we have every coach, whether it is the head coach or assistants as BCAT members each year. With everything we provide for member coaches and their players it is very worthwhile to join yearly. We would be honored if you would help with the BCAT. If you would be willing to help please let us know. Just send us an email or use the link in the newsletter.

In closing, I would like to thank Forrest HS coach John Wild for serving as president for the 2023-24 school. John did an outstanding job and helped to grow BCAT tremendously. Also, we want to welcome Lenoir City coach Shelley Collier as BCAT President for the 2024-25 school year. Coach Collier is already hard at work to make the game better for all.

A LETTER FROM BCAT PRESIDENT, SHELLEY COLLIER

Greetings to everyone!

I am honored to be your president of the BCAT. I would like to thank everyone that is already a BCAT member. I would like to ask for your help in encouraging others to join and get involved in the BCAT. There are so many good things that we are currently doing to promote and recognize our players and help Coaches. I am happy to be a voice for you all and to continue to help grow our game and make things better for all of our coaches and players across the state. Our committees have worked really hard to talk about things that are important and to get people in place to help the BCAT become more personable. We have established region representatives that will reach out in your area soon. These are people that you can contact for the player of the week selections in your region each week.

As our 24-25 season kicks off I would like to wish each of you and your teams the best! I look forward to being a positive representative for all of you!

Sincerely,

Shelley Collier
